Thank you for your continued support during this challenging period and please remain safe and healthy. If you require legal assistance, please do not hesitate to contact us by phone or email. The initiative was launched with a view to make the police/traffic system more streamlined and efficient. The rules that apply to all motor-vehicle accidents remain in force at the CRC. If you wish to know more about AJAX MARS services and how we can assist in claims cost management, please do not hesitate to contact us and we can arrange a presentation on our scope of services. There are nearly 30 Collision Accident Reporting Centers in Ontario which provide a range of useful services. Even though we are deemed an essential service, most of our team are safely and efficiently working from home and are completely able to serve you and advise you as needed during these challenging times. The team is supported by a full suite call centre with 15 call agents providing various tailored services to our valued clients. AJAX MARS operates with a fleet of 12 motorcycles and 15 reporting officers working round the clock.
