Users of desktop PCs and laptops have the ability to easily stream their live moments and connect with their followers and millions of other BIGO users. Method 2: Install BIGO LIVE App on PC using NoxPlayer First of all, you need to download NoxPlayer on your PC (Windows/Mac) from the link provided below. With this app, users can not only find friends, but also watch live videos, share photos and videos, share updates and connect with communities they find interesting. Viewers can interact with powerful discovery tools, chat with friends, interact with other users, invite friends and exchange gifts. BIGO LIVE Alternatives This BIGO LIVE alternative is a short video creation app that allows users to create videos and edit them with special effects. Double-click the downloaded file to install BlueStacks Android Emulator on your PC (Windows/Mac). Originally launched in 2016 by the Singapore-based company Bigo Technology, BIGO LIVE was later acquired in 2019 by the Chinese company Joyy which has continued to promote this platform worldwide. Follow the on-screen instructions and the installation will be done in a few minutes. In this guide, we will show you how to download and install BIGO LIVE App for Windows PC, and Mac. One of the elements of the user interface of this social video sharing network is its focus to show user comments, smiles, and stickers directly on the active video feed, which increases the visual appeal and shows the content creator and all viewers the current engagement of the entire audience. BIGO LIVE App can 2 can be downloaded and installed on any modern PC running Windows 8 and Windows 10. After installing properly click on BIGO LIVE from the BlueStacks home screen to use it. The app also allows you to add videos for up to 60 seconds. The two main categories of livestreaming content are Game Live (which closely mimics the functionality of others Platforms such as Twitch and YouTube Live) and Showbiz for streaming talk shows. Conclusion With Bigo Live and its alternatives, users can post and watch exciting content from their friends and fans around the world! Stay up to date with the latest software, news, software discounts, offers and more .Subscribe December. 30 Á 2021 Á Á Á Á Á Á Á e bigo live Requirements: Windows 7 / Windows 7 64 / Windows 8 / Windows 8 64 / Windows 10 / Windows 10 64 User rating: Author / Product: Author / Product: Bigo Technology / Bigo Live for PC Old versions: Select Bigo Live Filename Version: bigolive.exe Details: Bigo Live for PC 2022 Setting the full installer for PC 2022 32-bit / 64bit Bigo Live Á a newly established live streaming and social networking platform where users around the world are allowed to easily share live moments with their followers. The big vibrant community ensures continuous entertainment. Install the Android NoxPlayer emulator on your PC (Windows / Mac). The installer weighs about 20 megabytes, and the only real requirement is a competent internet connection that can manage the viewing of live video streams and sufficient upload bandwidth for the transmission of live video. After installing, click Bigo Live from the Welcome screen to start using it. Click the BlueStacks icon on your desktop to start the emulator. This Á a social networking app similar to Bigo Live that allows users to show their talents and crafts in short videos limited to 3-15 seconds. Once installed. Open the Android NoxPlayer emulator. Features of Bigo Live App Find great friends from around the world Watch live streams from the community Live Video and call with up to 9 people create video blogs showcase talent for gain fans of the world and followers they receive gifts and gains games download bigo live apk free name bigo live app version category app social app size Android version Last updated Dec: 2021 License type Free download File BIGO LIVE APK How to install BIGO LIVE App for PC (Windows and Mac) There are 2 ways to install BIGO LIVE on your Windows 7, 8, 10 or Mac PC. On this platform, users can also share the videos they create and view the trend videos uploaded by other users. Open Google Play Store and Type BIGO LIVE in the search bar. In addition to public chat, users can also engage in family chats and private audio sessions. The user interface of the app is very simple, allowing users of all ages to learn very quickly how to browse and find the content of their choice.
